CONSULTING ENGINEER'S CERTIFICATE

I, _____, Professional Engineer am employed by the Consulting Engineer who is engaged by the Developer to design and inspect the construction and installation of utilities and improvements. I do hereby certify that the utilities or improvements noted within the area show on the attached plan have been constructed, installed and inspected in conformance in all respects to the Municipality's specifications and approved designs, or as otherwise required by the Town, and that all defects and deficiencies in work and materials have been reported to the Developer and the Municipality and have been remedied by the Developer.

I conform that I have been empowered by the Developer to honour, comply with and perform all the Consulting Engineer's obligations and to provide all the Field Services as specified in the document entitled "Consulting Engineer's Field Services Guidelines", current year as issued by the Urban Development Institute/City of Calgary.
