\*\*Please note that this nomination form has two pages.

### Vision:

The High River Mayor's Youth Advisory Committee will help High River be a vibrant, well planned community *with youth and for youth*, where citizens including youth enjoy an enviable quality of life. Members of the Mayor's Youth Advisory Committee will be able to advocate for youth engagement, what they feel youth need in High River, and ensure a youth voice in community decisions that impact them.

We are looking for youth between 15 and 18 years old who are a part of the High River community in some way; they can live in High River, or live out of town but be part of a sports team, youth group, or school in High River. We want a diverse group of youth who have a wide range of interests, skills and abilities including art, sports, drama, boarding, education, gaming, and music. All youth are welcome!
