IMPORTANT INFORMATION YOU SHOULD KNOW ABOUT YOUR:

PLUMBING PERMIT

- It is the applicant / contractor's responsibility to ensure that inspections are notified, at the rough-in stage before the walls are covered and at the final stage (prior to occupancy) upon completion.
- Failure to notify for plumbing inspections (as required by the Canadian Plumbing Code) will indicate to the Authority Having Jurisdiction (The Town of High River) that the plumbing installation has not commenced, or has been suspended, and the permit will expire one (1) year from date of issue.
