

INTENSIFICATION/ CHANGE OF USE PERMIT APPLICATION

Planning & Development | Town of High River

Pre-application meetings are **required** for a **discretionary** Intensification/Change of Use permit and are **not required** for a **permitted** Intensification/Change of Use permit. The Land Use Bylaw lists the uses in the Land Use Bylaw that are discretionary and permitted in each zone. Staff will determine for you whether the use that you are proposing is discretionary or permitted in the applicable zone. Staff reserve the discretion to require a pre-application meeting if staff believe that the complexity of the application warrants it.

If you would like to book a pre-application meeting or would like to speak with the Planning & Development Services Division before submitting your application, please contact us at planning@highriver.ca or at 403.652.2110 and we would be pleased to assist you.

Regardless of whether the intensification/change of use is permitted or discretionary, we ask that you fill in the following form. The Town will not require a payment for permitted uses and will keep the application form on file for information tracking purposes. If staff determine that your proposed use is discretionary, you must fill in the following application form, all requirements in the checklist (unless otherwise discussed with staff) and the application fee. **The Town does NOT accept incomplete applications.**
