TOWN OF HIGH RIVER POLICY

Policy Number: POL-16-102-00
Policy Title: Street Lighting No Investment

Related Procedure Number: N/A
Related Procedure Name: N/A

Approval Date: September 14, 1992
Revision Date:
Policy Category: Finance
Responsible Department: Director of Engineering and Environmental Services

Policy Statement:

That the "no investment" program for street lighting be a requirement for all street lighting installations in the Town of High River.

Reason for Policy:

At the September 14, 1992 Meeting of Council, Administration presented for consideration a proposed policy with respect to the payment for the installation of street lights in new areas of the town. And that the program referred to by TransAlta Utilities as the "no investment program" will significantly reduce operating rate charges to the town.

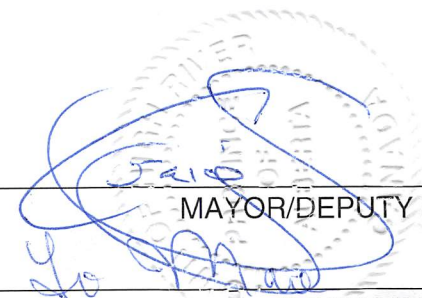

New areas would refer to subdivisions developed by the Town or by private sector developers and also include any upgrading of lighting by the Town within existing developed areas.

End of Policy.

Approval

This policy shall come into force and effect upon adoption by Council at a Regular or Special Meeting.
