IMPORTANT INFORMATION YOU SHOULD KNOW ABOUT YOUR:

ELECTRICAL PERMIT

- It is the applicant / contractor's responsibility to ensure that inspections are notified, at the rough-in stage before the walls are covered and at the final stage (prior to occupancy) upon completion.
- Failure to notify for electrical inspections (as required by the Canadian Electrical Code) will indicate to the Authority Having Jurisdiction (Town of High River) that the electrical installation has not commenced, or has been suspended, and the permit will expire one (1) year from date of issue.
