

*High River*

PARKS, TRAILS & OPEN SPACES  
— **MASTER PLAN** —

# NETWORK WITH NATURE

1 regeneration

2 park at the heart

3 walking our stories

4 revitalization & regrowth

5 active connections

## ACTIVE CONNECTIONS

Connecting the entire community with an accessible trail network; connecting High River with the larger region.

## ACTIVE CONNECTIONS

direct river access

ensure accessibility for cycling without age

equestrian access

dedicated bike lanes

## ACTIVE CONNECTIONS

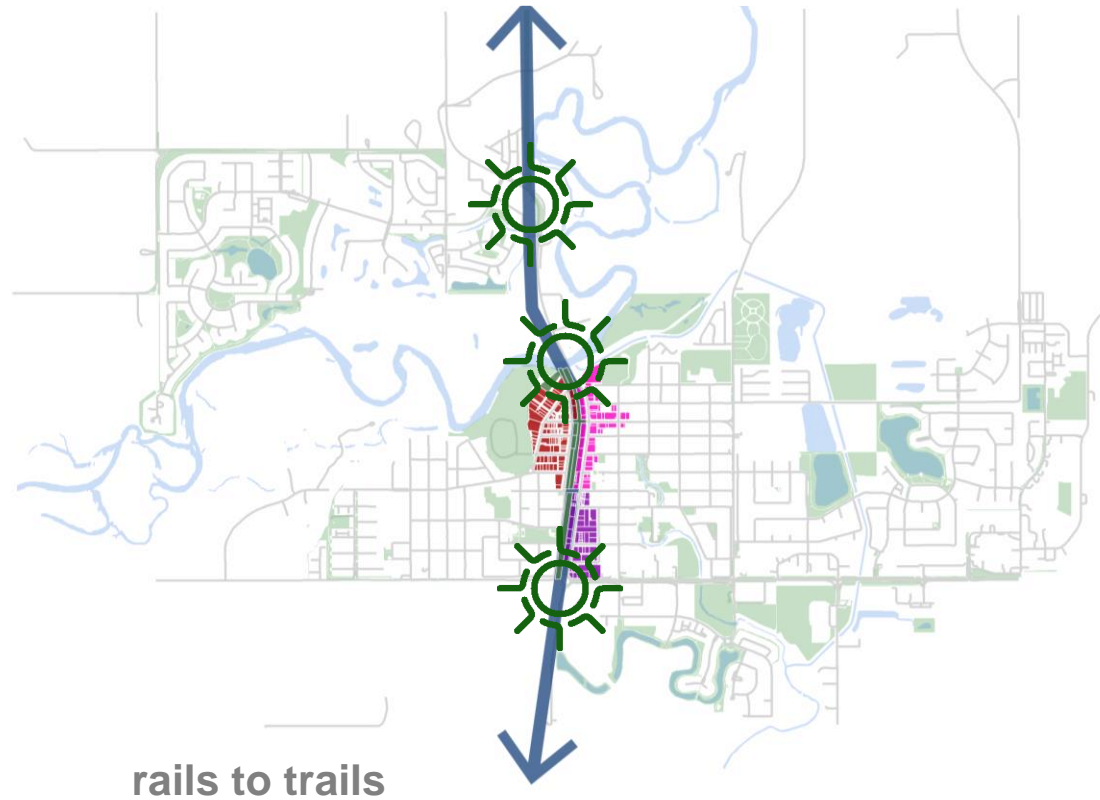

cross country ski trails

river access from shore

## ACTIVE CONNECTIONS

### exploring ideas

- improved connections across centre street
- Northwest bridge over Highwood River
- intersection improvements
- pedestrian connections between Hamptons and downtown
- Highwood water trail
- sensitive areas existing paths to remain
