Request for Pre-Qualifications – SOUTHWEST DIKE AND 12 AVENUE SW RECONSTRUCTION

The following provides a summary of the results for the above-noted Request for Pre-Qualifications.

Fourteen (14) submissions were received in good order by the 2:00 pm submission time on February 19, 2020.

Based on detailed evaluation of the submissions using the established evaluation criteria, the following list of eleven (11) pre-qualified Bidders has been confirmed for the tender to be released for the Southwest Dike and 12 Avenue SW Reconstruction. They are, in alphabetical order:

- Aecon Group Inc.
- Blackie Site Works Ltd.
- BTO Contracting Ltd.
- Chief Construction Company Ltd.
- Howitt Construction Ltd.
- Kidco Construction Ltd.
- Morgan Construction and Environmental Ltd.
- Professional Excavators & Construction Inc.
- Volker Stevin Contracting Ltd.
- Whissell Contracting Ltd.
- Wilco Contractors Southwest Inc.

Proponents who wish to receive a de-briefing of their evaluation can set up a telephone appointment with Chris Delanoy of ISL Engineering, by contacting cdelanoy@islengineering.com.

The Town of High River wishes to express thanks to all members of the contracting industry who invested the time and effort to participate in the RFPQ, and is looking forward to continuing to advance and complete these important projects for the citizens of High River.
